DI WATER NO SEEDS

DI WATER

33% D2O IN DI WATER

66% D2O IN DI WATER

**99% D2O**

**33% D2O IN DDW**

**66% D2O IN DDW**

**99% DDW**

We are nearing the end of this trial. It appears that every seed that will germinate has already, obviously with the exception of the 99% d2o sample. Those seeds are never expected to grow. I'll monitor the growth of these and setup another trial tomorrow.
